

Directions to LAKE station from SCO:

1. Turn **right** out of the parking lot across from Research III onto Capability Dr. (0.2mi)
2. Turn **left** onto Campus Shore Dr. (0.2mi)
3. Turn **right** onto Main Campus Dr. (0.4mi)
4. Turn **left** onto Achievement Dr. (0.3mi)
5. Turn **right** onto Centennial Pkwy. (0.6mi)
6. Turn **right** onto Lake Wheeler Rd. Stay in the left lane.
7. Drive for about 2.5 miles, passing straight through the intersection with Tryon Rd.
8. Turn **left** on Inwood Rd. Note: there is a large church on the right across from Inwood Rd. (0.3mi)
9. Make a **right** onto the first road (unnamed). You will see a sign for the Air Quality Unit.
10. Drive ~ 0.1 miles. There is a trailer on the left with parking spaces out front; the weather station is on your right.
